

# THE SINGLE SOURCE TO FIND, USE AND MANAGE ALL DIGITAL ASSETS

BIM Content Management

AVAIL™

File Agnostic Platform to Work with Any Current or Future Application

## Access Any File Type

File agnostic to locate any asset within your network.

## Easily Find & Use

A visual interface to locate content quickly.

## Your Content Where You Need It

Files are indexed where you choose, so your content can stay in its original location.

## Capture & Share Knowledge

Attach data to your workflow to build knowledge base and manage intellectual property.

## Understand How Content is Used

Gain insight and drive business decisions with analytics.

## ELEVATE YOUR CONTENT MANAGEMENT

AVAIL relieves the frustration of file retrieval and makes it easy to find, use and manage all your digital content throughout the design continuum. Seamlessly collaborate by reusing and sharing content, while gaining insight into how that content is being used. Deeply integrated with Revit, AVAIL's visual interface simplifies workflows and content management, making your teams more productive and your designs more robust.
